

Beijing Away Week · Dad Run Sheet

Mum away 27 Jul – 1 Aug · Exams: Keefe Listening 3 Aug · Koen CL Compo 5 Aug · Koen Eng S&T; 6 Aug · Keefe PSLE Orals 12 Aug

Dad — you do not need to teach Chinese.

Your jobs: logistics, English practice, timers, and WhatsApp voice notes to Mum for Chinese. That is enough.

Keefe saying “don’t worry” is kind — still keep the short oral drills. Orals are high marks and need mouth practice, not worry.

Hard deadlines

3 Aug	Keefe — Prelim Listening (English/Chinese as school set)
5 Aug	Koen — Chinese ■■■■ WA
6 Aug	Koen — English Synthesis & Transformation
12 Aug	Keefe — PSLE English Oral + Chinese Oral

Nightly non-negotiables (Mon–Fri while Mum away)

BOTH	School HW first · dinner · bedtime. Keep soccer/piano/swim/tuition as booked.
KOEN 25–40 min	A) Chinese battle card (English script — he says skeleton aloud). B) English S&T; worksheet 10–15 items. Dad can mark S&T; with answer key.
KEEFE 25–40 min	A) English Oral drill 15 min (Dad runs — see Oral pack). B) Chinese Oral drill 10–15 min (Keefe records voice note → Mum checks from Beijing). C) Optional: ONE EOY paper section only (Paper 1 OR Paper 2 fragment), not a full paper.

What to DROP while Mum is away

- Full EOY papers every night · rewriting whole Chinese essays · new L2■■■ memorising · marking Chinese pronunciation yourself

Mum remote check (Chinese only)

Keefe sends WhatsApp **voice note** after CN oral drill. Mum replies: 1 praise + 1 fix (max). Not a lecture.

Koen Chinese: Dad only runs the battle-card English helper script. Mum can listen to one voice note if Koen reads his 4 paragraphs aloud.
